Revised: November 2010
Revised: November 2018
Revised: February 2024
Revised: November 2025

Rationale

The Board of Directors for White Rock Christian Academy (“WRCA”) strives to ensure that qualified families who desire a Christian education should have an opportunity to keep their children enrolled at WRCA even if they happen to experience temporary financial hardship. A core value of WRCA is to form resilient and mature followers of Christ, and it is WRCA’s desire to see as many students as possible attend the school to help them in their pursuit of knowledge.

To that end, we are called to fiscal responsibility and must have policies and guidelines to ensure that tuition assistance is granted to those who truly need it, keeping in mind the financial viability of WRCA as an organization.
